## System Requirements For Flash Events Calendar:

Any system that can run the Demo. Runs at 60fps on our development machines (if you want to run it at a higher framerate, check out the Alpha build.) You can play this game on PC, Mac, Linux, Ouya, and Android. What is Omerta? We don't want to say too much about the story of this game, because we want people to discover it for themselves. However, we'll say that it's a post-apocalyptic world, where the last man on the planet is trying to rebuild civilization
